I strive to live up to my last name professionally and personally by throwing my heart into my creative process and building long-lasting working relationships. For over 10 years, I've collaborated with amazing clients and fellow designers to deliver great work. My goal is to help you reach yours.

Experience

FREELANCE DESIGNER

2013–Present

- Primary work includes logo design, digital and print ads, and layout design for various print collateral and invitation suites
- Clients include a variety of small and medium-sized businesses throughout the North Alabama area, including marketing and real estate agencies

SENIOR GRAPHIC DESIGNER & STOREFRONT SPECIALIST

2020–Present | BPI Media Group 

- Responsible for leading and scheduling design team tasks
- Build and ensure proper functionality and display of variable print products on various customers' web-to-print "storefront" portals

GRAPHIC DESIGNER

2016–2020 | BPI Media Group 

- Responsible for preparing files for press and developing print designs for a variety of national chains and local businesses
- Designed in-house branding and marketing materials, including business cards, brochures, direct mailers, web pages, and campaigns
